

# CCRA 2nd Annual Golf Tournament

The Central Connecticut Robotics Alliance (CCRA) is hosting a golf tournament fundraiser on Sunday, September 10th at Hawks Landing in Southington, CT. We are seeking your support and sponsorship of our second annual event. The CCRA is a partnership of three local robotics teams - Operation P.E.A.C.C.E. Robotics, a Bristol, 4-H affiliated team, The 2nd Law Enforcers from Farmington High School, and Team Max from Wolcott High School.

All three teams are well established, highly successful participants in the *FIRST* Robotics Competition. *FIRST* (For Inspiration and Recognition of Science and Technology) was founded 30 years ago by entrepreneur Dean Kamen, inventor of the Segway. Combining the excitement of sports with the rigors of science and technology, students call *FIRST* "the hardest fun you'll ever have." Under strict rules, limited time and resources, teams are challenged to raise funds, design a team "brand," and hone teamwork skills to build and program industrial-size robots to play a difficult field game against competitors. Professional mentors volunteer their time and talents to guide students.

The CCRA's mission is to establish a community robotics center that will support programs for students of all ages, including underrepresented students and underserved communities. The center is expected to be a partnership with Tunxis Community College and located on their campus in Farmington. One of our first objectives is to purchase a full size (63' by 28') playing field located at the center for area robotics teams to use for practice for competition. This Partnership with Tunxis is intended to be a model for future affiliations between robotics teams and community colleges.

Please consider sponsoring this ambitious project:

## **Platinum Sponsor - \$5000**

Includes 4 Golfers. Sponsors name included in the outing name, website, as well as all literature and on all three robots! Large course banners. Invited to speak and hand out awards. Only 1 platinum sponsor spot!

## **Silver Sponsor - \$2500**

Includes 4 Golfers. Large signs on the driving range, practice green, and registration table. Logo on website and small logo on all three robots.

## **Bronze Sponsor - \$1000**

Includes 4 Golfers. Exclusive sponsorship of one hole. Can put a table on one hole. Logo on website. Send four people to join us in the excitement!

## **Hole Sponsor - \$150**

Get to keep the sign as our gift to you! Will be mentioned at awards dinner.

## **Raffle Prize Donation**

Please email us about what prize you would like to donate so we can arrange pickup/delivery.

To register as a sponsor, please visit our website (<https://golf.ccrarobotics.org/>) or make checks payable to Operation P.E.A.C.C.E. Robotics 750 Clark Ave, Bristol, CT 06010. Contact [golf@peacce.org](mailto:golf@peacce.org) with any questions or concerns.
